SPLASH & PLAY!

The perfect way to beat the heat this summer. Children under the age of 14 are invited to enjoy our splash pad and playground during our open play sessions Monday through Friday for $12 per child. Best of all, children 11 months and younger are free! No pre-registration is required, though new customers should create an account before attending. For everyone's safety, all children must wear water shoes, be accompanied by an adult while on the splash pad and playground, and children under age 3 must wear a swim diaper. Upon arrival, all guests must check in at the front desk to receive a wristband before playing.
