Help us provide school supplies for Clarksville students!

We are hosting a school supply drive to help support students in our community. We are collecting new school supplies including pencils, markers, crayons, paper, notebooks, backpacks, and other essential items. Donations can be dropped off at the Cheer Center or Gymnastics Center front desk during the week of August 10th–15th. We appreciate your support and generosity in helping provide students with the supplies they need for a successful school year.
